- Information Session (Kicking off around 5:30pm)
- Troop Theme Voting
- Nibbles, Hot Drinks and Social Chat

Troop Theme

One key objective for the night is to hopefully nail the beginnings of our troop Theme. Over the coming months we will look to build on the theme to establish a number of things in the leadup to AJ2019 – this includes:

- Troop Name (What we will call ourselves instead of Troop D316)
- Troop Badge Design
- Troop Flag
- Campsite Gateway
- Troop Top

We have already received some great early ideas through our Participant survey. For anyone to interested in putting forward their ideas, can you please complete the attached template to showcase your theme. This will also help explain how it can be used for any the above points. On the 16th Sep we will stick the A4 sheets up on the wall and put it to a simple vote from all our troop's participants.

CAUTION: If there are no submissions entered – we are going with Disney's Frozen theme. I trust that is enough motivation to draw out creative juices 😊.

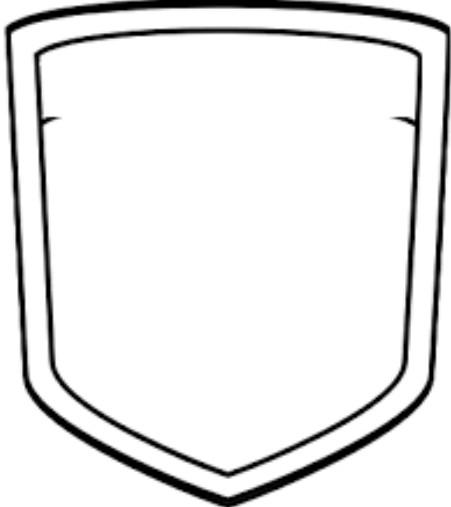

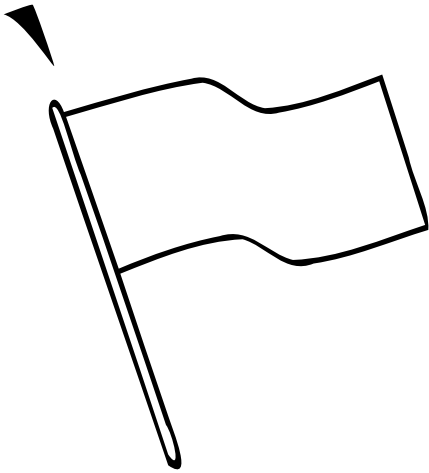

Also – feel free to draw your inspiration from

- **Our Subcamp Theme** – Strzelecki – Green – Numbat – Mountain
- **Gawler Scout Group** – Bottle brush, Glider, Rivers, Train
- **Hallett Cove Scout Group** – Black Cliff, Sunset
- **Semaphore Scout Group** – Dolphin, Lighthouse

Lastly,

I look forward to seeing all our AJ2019 Participants making an effort to attend. This is our first step to get to know each other, and will help ensure we have a smooth AJ2019, Please let me know if you cannot attend through email i.sharp@zoho.com or mobile: 0432759239
