

TROOP D316 Participant Information Pack (09/2018)

Hello!

We've compiled the first draft of the participant information pack for our Troop - it is likely that there will be refinements between now and January 2019, but please start to familiarise yourselves with the plan.

For the skim readers - here are the 4 things you need to be aware of in **SEPTEMBER**

1

MEET AND GREET SESSION - SUNDAY 16 SEPTEMBER 2018

- Semaphore Scout Hall
- 4:00pm - 7:00pm (Participants)
- 5:30pm - 7:00pm (Families)
- Please bring a plate of food to share
- Scouts to bring Troop Theme ideas (see email from 19 Aug)

2

SHAKEDOWN CAMP

- Compulsory preparation camp for all participants
- Woodhouse Activity Centre
- Friday 28 Sep - Monday 1 Oct
- (Further info on page 3)

3

PERSONAL GEAR LISTS

- Start getting bits and pieces together
- Our prescribed list and further detail is on pages 4-6
- Large duffle bags are important (these are not supplied)
- All scouts will require stretcher beds to sleep on

4

TROOP FEE OF \$80 DUE 31 OCTOBER 2018 TO COVER:

- Troop Top – Custom Printed Long Sleeve “Fishing Shirt” Style
- Misting Drink Bottle, Neck Cooler and Troop Badges
- Troop Camping Expenses for Shakedown Camp through to Jamboree
- December Family BBQ

Some Scout Groups are in a position to contribute towards this fee from fundraising efforts, please check with your group prior to making payment.

Lastly

Let's keep the communication channels open.

Also: Making workshops and/or troop gear maintenance working bees may be required across Oct – Dec.

Shakedown Camp

The purpose of Shakedown camp is to give our preparations a good test, this includes the groups troop camping equipment, sleeping arrangements, personal gear etc.

It also provides an opportunity to get to know each other a bit more, work our patrol system, and learn specific skills we'll use such cooking and clothes washing.

Importantly: Attendance at Jamboree is a privilege, not a right. It is critical to the success and enjoyment of the whole troop that only scouts that meet behaviour standards attend Jamboree. Shakedown Camp is a great opportunity for scouts to prove that they can meet the required behavioural standards and scouting proficiencies; and for the Troop Leaders to confirm this with the SA Contingent Leader.

Shakedown Specifics

There will not be a separate Y4 (Parent Advice) to complete for this camp. All medical, dietary and emergency contact information will be taken from the [AJ2019 Application System](#). Please make sure these are up to date!

Location

Parents will be required to car pool and collect from Woodhouse at 3:30pm

Please note this time is also subject to change by the SA Contingent

Parent and Scout help would be appreciated at 1st Gawler Scout Hall to unpack gear into the Q-Store

Personal Gear

Please make an effort to bring the full Jamboree personal equipment as if you would be heading off to Jamboree, Scouts should arrive for transport with everything packed into:

- Day pack (with easily accessible warm top and head torch)
- Large Duffle Bag (90L – 120L)
- Stretcher can be separate

Don't bring loose sleeping bags or pillows (or anything else not in above 2 bags) - there won't be a place to put these while we are setting up tents and they will get wet with dew.

Personal Gear Specifics

Please see below recommendations and considerations for some of the items:

DUFFLE BAGS

These should be large enough to fit all personal gear in, Wheeled duffle bags are preferable as the scouts will need to move the gear from the drop point to the campsite, a couple reasonable options include:

	
<p>Black Wolf Blade Runner 80 + 20 Wheeled Duffle Snowy's Outdoors - \$129.90</p>	<p>Snowgum 100L Wheeled Duffle: Snowgum Online - \$129.95 (member price)</p>

STRETCHERS

All Scouts will be required to bring and sleep on stretcher beds. Please bring small single stretchers only as the tents will not be able to fit king size or large stretchers. Our plan is to collect and transport stretchers down to the Jamboree site with some of our bulky equipment prior to Jamboree to allow for more room in bags.

Examples of suitable stretchers are:

	
<p>Wanderer Easy Out Stretcher Ray's Outdoors - \$69.00</p>	<p>Oztrail Easy Fold Low Rise Stretcher Gawler Fishing and Outdoors - \$89.95</p>

DILLY BAGS

On this Jamboree, the fabric of Dilly Bags is important. To minimise the risk of cross contamination our washing up won't involve drying the dishes with scungy tea-towels. Please make sure dilly bags are of a **Calico or loose weave cotton fabric**. Dinnerware should be melamine, solid plastic or metal.

AJ2019 Program Activities

During the 10 days of Jamboree, Patrols will rotate through the following onsite and offsite activities:

 <p>Bang!</p>	 <p>Adventurous Activities</p>	 <p>Wizz!</p>
<p>One of our many action packed onsite activities this site will include shooting, soccer, football, golf and heaps of other sports disciplines so everyone can try something new.</p>	<p>Rock climbing, abseiling, crate stacking, Flying foxes, haystack climb, water traps and all things adventurous and adrenalin. If that's not enough perhaps you'll enjoy the obstacle course, or the mountain bike trek to explore the 250 hectare Jamboree site.</p>	<p>Designed to be the rest and recovery site this space will feature some giant board games, escape rooms, a movie theatre and performing Arts experiences.</p>
 <p>Splat</p>	 <p>HiTech</p>	 <p>Trades</p>
<p>Another adventure filled activity site featuring a large obstacle course that includes getting wet.. very wet!</p> <p>When you are not on the crazy fun obstacle course you'll be at Beach Volleyball, a massive water slide or performing some wicked tricks on BMX bikes.</p>	<p>Appealing to the inner nerd in most 11-14 year olds, the Technology house is set to provide exciting demonstrations from the like of local universities, defence, industry and maker spaces. You can expect to see cutting edge robotics, computer programming, drone construction and flying, Virtual and Augmented reality, Radio communications and lots of other very techie type stuff.</p>	<p>The trades activity site will have a number of hands on 'come and try' type activities that will provide a taste for of a number of trades and each site will teach the scouts a little something that they'll be able to apply when they get home.</p>

The Allawah Mall

The centrepiece of AJ2019 will be our meticulously planned and crazy fun mall, only 2 minutes' walk from the subcamps the Allawah mall is the place to be.

Hang out in the 'Glamping' area, charge your phone, go to the internet cafe, checkout the merch stand, party on at the radio station\second stage, Checkout each Contingent HQ packed with fun activities and plenty of info about their state, Head on over to see the national team and learn about our new youth program. There is SOO much to do at Allawah Mall you'll need to visit every day to see what's changed

Entertainment

The fun never ends! Each day and night, a range of entertainment including concerts, comedy, Scouts performing arts, talent shows, and more!

Each day your troop will also receive the daily Jamboree Newspaper, which will include great stories about what is happening at the Jamboree, jokes and puzzles, and the entertainment schedule.

Tune into the Jamboree Radio Station, BendFM, for 24/7 entertainment

Woodhouse

An overnight expedition within the Jamboree! Scouts will head off to Scouts SA's famous Woodhouse Activity Centre campsite for a full 24 hour period where they will engage in 'back to basics' camping and focus on activities like pioneering, navigation, camping, lightweight cooking and problems solving.

Metro Mania

A HUGE 3 part full day offsite activity. Metro Mania will see Scouts dropped in the Adelaide CBD and engaging with the local areas. They will then have the choice to end their day at either Pt Adelaide, a town steeped in maritime history or at Glenelg for a more low key afternoon exploring the beachside town.

Wet 'n Windy

Set on the quiet waterfront of the Wellington Marina, we have unrestricted access to a wonderful privately owned piece of Murray River real-estate. This site has lush green grass, substantial onsite facilities and most importantly lots of water access with little\no other water traffic. Here you'll get crazy on the water building rafts, rowing, dragon boats, swimming and learning about the local Murray River ecosystem.
