

# WELCOME TO TROOP D316

## Welcome

I'm excited. In 21 weeks from now we'll be travelling along the Princess Highway heading towards the Australian Jamboree 2019 site at The Bend Motorsport Park, Taliem Bend. We'll be bursting at the seams with anticipation, perhaps slightly anxious, we will definitely be pumped for the forthcoming adventure. 10 days later we will emerge having experienced the most fun we have ever had, we'll have a stack of new friends, and we would have tried many crazy things, (there's a good chance we could also be a little sunburnt). Welcome to Troop D316, there are 32 of us, we are from 1st Hallett Cove, 1st Semaphore and 1st Gawler Scout Groups.

## Troop D316

Our troop D316 is 1 of 20 troops within the South Australian contingent. We will be together most mornings and nights, we will share our 20m x 30m piece of Mallee woodland, we will cook for each other and we will support each other.

Like a normal scout troop, we will organise ourselves into patrols, each led by a Jamboree Patrol Leader. The Troop's adult leaders are here to support the Patrols and the Jamboree Patrol Leaders.

*There's a good chance  
this is our campsite!*

## Next Steps

The purpose of this initial letter is to say hello, and let you know that there is an enthusiastic leadership team here embarking on a planning journey which will take us through to our AJ2019 arrival on Thu 3 Jan 2019. Over the coming weeks we will form our community and get to know each other. We'll also think through our troop's equipment and the gear scouts will need. The SA Contingent's "Shakedown" camp on the October long weekend will be a great opportunity to put all this to the test, and review improvements we need prior to the main event.

There is one thing I would like to ask for you to help out with. We've got a quick questionnaire just so we can get to know you and your thoughts a little better. This will be really useful as we plan our troop, if I could please ask that you look to fill it in within the next few days it would be really appreciated 😊.

Other than that, we'll be back in touch shortly to schedule a meet and greet session prior to Shakedown camp. If you are a Facebook user, please stay in touch by joining our troop's Facebook Group:
